

October 2023

Dear Valued Customers,

Kodo Miura
Facility Manager
Analytical Research Center
LSI Medience Corporation

Notification of changing name of the GLP facility

Thank you for your continued support in our business activities.

The drug development service segment of our company will be consolidated with LSIM Safety Institute Corporation and start our business as Mediford Corporation on November 1, 2023.

For details please kindly refer to the information “Announcement: Corporate overview PHC Group ‘s new Subsidiary ”mediford” (July 28, 2023).

https://ssl4.eir-parts.net/doc/6523/ir_material3/211398/00.pdf

Due to this consolidation, name of the GLP facility of Analytical Research Center will be changed as noted below.

We highly appreciate your kind understanding and cooperation on this change.
